GET CONNECTED WITH YOUR ONWARD

Drive your Onward Club Car on the neighborhood course* with Club Car Connect. Monitor available travel range, get accurate pin placement and see the status of your battery charge all through your Connect screen. No need for other handheld devices like range finders. Club Car Connect provides accurate pin placement so you can measure distance and range right from your vehicle. And, with built-in Bluetooth Speakers, you can enjoy your personal music collection anywhere your cart takes you.

**See local dealer for golf course compatibility*

ONWARD®

Club Car

Whether you select a zero-emissions electric powertrain or a sophisticated gasoline engine, your Onward® will out perform the competition.

Electric Onward PTVs feature smart chargers that issue alerts to prevent common user errors. The vehicles are also available with optional on-board chargers and reel retractors that allow for opportunity charging at any 110-volt outlet. (Images shown include optional upgrades.)

CRAFTED FOR PERFORMANCE.

Take everything you already love about Onward and add our exclusive Lithium-Ion technology and you've got the best electric personal transportation vehicle in the industry.

Your car can be built to your specifications and preferences with completely customizable options including color, seats, wheels and even drive modes to maximize performance.

ONWARD
HP / LI ION

PERFORMANCE

This all-new, Lithium-Ion powered vehicle exceeds all expectations with increased hill-climbing capabilities and high-power acceleration. No other vehicle in the industry can compete with its powerful motor and broad range of programmable drive modes.

SAFE & RELIABLE

With a state-of-the-art battery management system, the battery pack is completely protected from the elements in a self-contained, fully coated steel, water-tight battery case. For added peace of mind, the Onward HP Li-Ion comes with an industry-leading 6 year battery warranty.

MAINTENANCE FREE

The Lithium-Ion battery is completely maintenance-free. Long gone are the days of watering and cleaning your batteries. No matter your plans, you can always expect consistent performance with the Onward HP Li-Ion.

CRAFTED TO LAST.

- The new high-powered motor and electronic controller improves hill-climbing speed, performance, and efficiency.
- Six-year battery warranty – the longest battery warranty in the industry.
- Three programmable drive modes to maximize your performance level. Choose between econ, normal, and sport modes at time of purchase.
